April 11 1947

Dear Essie:

Had a letter from Mr. Walker yesterday telling me he has advised you of the date of April 28th. (Monday) when Loy and I will do the new Square-Dance Album. He seems to be quite enthused about the possibilities of the album.

I have advised Loy and I might mention that thirty of us went to Falls Village, Conn. Wednesday night where Loy, Durlacher, Brundage and several others were calling a dance and one look at the mob there would convince anyone about the popularity of this type of dancing. There must have been easily five hundred people there - it was really an education.

No doubt you have already started booking the men - but as you know, I'm particularly anxious to have John Cali and his banjo. From there you can use anyone you want to.

Dont know whether I'll be down before that time or not - in case you get the proofs of the numbers, I'll want to come down then, so call me as soon as you get 'em. I'm very anxious about them.

Sunday, the doctor told me to stay in bed at least ten days (had virus pneumonia) - so - I went to a square dance Wednesday night and I think it did me more good than his medicine - so you see, there's another publicity angle in favor of it???

Be seein' yuh - Tried to call you long distance but didnt get very far with that.

Love to yez all -
